[Couplet 2]

At the same time miles away
 A little boy made a wish that day
 That the world would be okay
 And Santa Claus would hear him say:

"I got dreams and I got love
 I got my feet on the ground and family above
 Can you send some happiness with my best
 To the rest of the people of the East and the West

And maybe every once in a while
 You give my grandma a reason to smile
 'Tis the season to smile
 It's cold, but we'll be freezing in style

And let me meet a girl one day
 That wants to spread some love this way
 We can let our souls run free
 And she can open some happiness with me"
