51 Gm Chorus

Chorus

**[Verse 1]**

Are you  
Someone that I can give my heart to?  
Or just the poison that I'm drawn to?  
It can be hard to tell the difference late at night  
Play fair  
Is that a compass in your nature?  
Or are you tricky? 'Cause I've been there  
And, baby, I don't need to learn my lesson twice

**[Pre-Chorus]**

But if you really wanna go there  
You should know I

**[Chorus]**

Need someone to hold me close  
Deeper than I've ever known  
Whose love feels like a rodeo  
Knows just how to take control  
When I'm vulnerable  
He's straight talking to my soul  
Conversation overload  
Got me feeling vertigo

Are you somebody who can go there?  
'Cause I don't wanna have to show ya  
If that ain't you, then let me know, yeah  
'Cause training season's over  
(Training season's over)

**[Verse 2]**

I tried  
To see my lovers in a good light  
Don't wanna do it just to be nice  
Don't wanna have to teach you how to  
love me right  
I hope  
It hits me like an arrow  
Someone with some potential  
Is it too much to ask for?

---

**[Bridge]**

Can you compete? Now is your time  
Run when you hear that whistle blow  
Are you on my team or stuck on the  
sidelines  
Waiting for someone to tell you to go?  
For someone to tell you to go
