[Intro]**[Verse 1]**

Time stood still just like a photograph
 You made me feel like this would last forever
 Looking in your eyes
 I see my whole life

Oh-oh

They say you know it when you know it, and I know

Oh-oh

Promise that you'll hold me close, don't let me go

[Chorus]

Take my heart, don't break it
 Love me to my bones
 All this time I've wasted
 You were right there all along
 You and I stargazing
 Intertwining souls
 We were never strangers
 You were right there all along.

[Verse 2]

I lose my mind
 When I'm around you, how I come alive
 When I'm without you, I can't help but feel so lost
 I wanna give you all I've got

Oh-oh

They say you know it when you know it, and I know

Oh-oh

Promise that you'll hold me close, don't let me go

[Chorus]

Take my heart, don't break it
 Love me to my bones
 All this time I've wasted
 You were right there all along
 You and I stargazing
 Intertwining souls
 We were never strangers
 You were right there all along

[Bridge]

Oh-oh, oh-oh, oh-oh

All along

Oh-oh, oh-oh, oh-oh

[Chorus]

Take my heart, don't break it
 Love me to my bones
 All this time I've wasted
 You were right there all along
