Chorus + Post-Chorus

All that..

[Verse 1]

I heard you calling on the megaphone
 You wanna see me all alone
 As legend has it, you are quite the pyro
 You light the match to watch it blow

[Pre-Chorus]

And if you'd never come for me
 I might've drowned in the melancholy
 I swore my loyalty to me (Me),
 myself (Myself), and I (I)
 Right before you lit my sky up

[Verse 2]

The eldest daughter of a nobleman
 Ophelia lived in fantasy
 But love was a cold bed full of scorpions
 The venom stole her sanity

[Pre-Chorus]

And if you'd never come for me (Come for me)
 I might've lingered in purgatory
 You wrap around me like a chain (A chain),
 a crown (A crown), a vine (A vine)
 Pulling me into the fire

[Chorus]

All that time
 I sat alone in my tower
 You were just honing your powers
 Now I can see it all (See it all)
 Late one night
 You dug me out of my grave and
 Saved my heart from the fate of
 Ophelia (Ophelia)

[Post-Chorus]

Keep it one hundred on the land (Land), the sea (Sea), the sky
 Pledge allegiance to your hands, your team, your vibes
 Don't care where the hell you've been (Been) 'cause now (Now) you're mine
 It's 'bout to be the sleepless night you've been dreaming of
 The fate of Ophelia

[Bridge]

'Tis locked inside my memory
 And only you possess the key
 No longer drowning and deceived
 All because you came for me
 Locked inside my memory
 And only you possess the key
 No longer drowning and deceived
 All because you came for me
