Verse 2      Pre-Chorus      Chorus      Post-Chorus

[Verse 1: Teddy Swims]

We were fire, impossible to tame  
Like oil in the ocean, no way to put out the flame  
We were just running, eyes closed in the dark  
Headed for the wall, full speed  
Oh, it's about to leave a mark

[Pre-Chorus: Teddy Swims]

Oh, and it was freedom, you hold me, I scream your name  
Through all of the madness, I take the blame  
And I, and I

[Chorus: Teddy Swims]

I only want you when you're gone, gone, gone  
Playin' like we're done, done, done  
I love your game  
Drive me insane  
I only want you when you're gone, gone, gone  
Playin' like we're done, done, done  
I love your game  
Drive me insane

[Post-Chorus: Teddy Swims]

I only want you when you're— x3  
I only want you when you're gone

[Verse 2: Tones & I, Tones & I & Teddy Swims]

We loved a lot, yeah, like a moth to a flame  
But I knew that it was something special from the start  
Had that good, bad lovin' in my heart

And now I need a sequel to the movie that we made  
I'll keep on runnin' the scenes, all this acting reckless  
All this love, that love and pain

[Chorus: Tones & I, Teddy Swims, Both]  
I only want you when you're gone (Gone, gone)  
Playin' like we're done, done, done (Done)  
I love your game  
Drive me insane  
I only want you when you're gone, gone, gone (Gone)  
Playin' like we're done, done, done  
I love your game, drive me insane
